Practice 1.1 *Assignment*

- In groups (maximum **6 students**), choose an existing product/service in the market and elaborate an "elevator pitch" (see example "Rightline Gear Moki Door Step" in the references) of a maximum duration of **60 seconds**.
- Afterwards, you must elaborate a **report** in where you need to highlight the most important aspects of the chosen product/service, existing products or services that consumers use up to now, possible ways of funding and some theoretical projections about future profitability.

Deliverables

Max. 60 secs

Max. 1 page

Practice 1.2

✓ Learning Objective

- The objective of the practice is the analysis of an **Ibex 35** company (reference indicator of the 35 most valuable companies in the country), describing its basic parameters referred to its conceptualization of **Corporate Governance**. Presentation of the Good Practices codes of listed companies and link it with the problem of the "**agency problem**"

✓ Support material

- Corporate website of the Company
- Unified Code of Good Governance of Listed Companies (there is a document in English version in the website (<https://www.cnmv.es/portal/Publicaciones/CodigosGovCorp.aspx>))

Practice 1.2

✓ Task Description (1 of 2)

- **Legal form of the company**

- Identify the legal form of the company and establish if it applies, throughout history, if its corporate form has changed.

- **Corporate governance**

- Analyse if the company has approved the Code of Good Governance or Corporate Governance Code and how it complies with the recommendations of the Code approved by the CNMV. Specifically:

1. Shareholders and CEO: Identify the main shareholders and CEO of the company and state their names. Do you think there may be an agency problem? Why?

Practice 1.2

✓ Task Description (2 of 2)

2. Who is part of the Board of Directors of the chosen company? Specify their names and answer the following questions:

2.a) What is the proposed size of the Board of Directors? (Recommendation 13) Does the chosen company comply with this recommendation?

2.b) What is the limitation of the number of executive directors? (recommendation 15). Explain why you think this recommendation is important. Does the chosen company meet this recommendation?

2.c) What is the relationship between the proprietary directors and the non-executive directors proposed? (recommendation 16). Does the chosen company meet this recommendation?

2.d) What is the number of independent directors proposed? (recommendation number 17). Does the chosen company meet this recommendation?

Practice 1.2 *Assignment*

- You must elaborate an executive **report** (1 by each group) with all the answers to what is raised in the previous pages

Deliverables

(1 week)

Max. 2 pages
